Platige Image
Portugal
Industry

Platige Image, established in 1997, is a creative studio specialising in designing CG imagery, digital special effects, interactive experience and 3D animation. Focused on delivering great storytelling in the form of computer animation and live action movies, with a significant VFX component, the prized studio has created multiple award-winning short films, commercials, and innovative and original projects. Platige is producing strong, commercially viable projects fitting both Polish and international markets and is constantly looking for international projects to partner on.
