Contrary to popular belief, a smart captain does not go down with the ship. Don't go on a fool's errand for the sake of ego. Know when it's time to walk away. If your idea doesn't pan out, reflect on what went wrong and the mistakes that were made. Assess what you would have done differently. Determine how you will utilize these hard-learned lessons to better yourself and your future entrepreneurial endeavors. Failure is inevitable, but a true entrepreneur will prevail over adversity.
